Dear Parents

Greetings!!!!

We hope that you and your family are safe and coping well during this period of lockdown. I would like to request you all to motivate your ward to get connected in online classes being delivered by our teachers in this critical situation of lockdown due to COVID-19. It is an unusual situation being faced by all of us but we should realize that time is flying & it would not wait for the lockdown to be opened. So all the students will have to be very attentive and utilize this precious time to the maximum. Your support to motivate your ward is required. It has been observed that many students are not attending these classes. Make sure that your ward attends the class. The attendance of this period will be taken under consideration. So be very particular about these classes. Your vigilant attitude will help your ward gain the maximum.

Be Careful! Be Safe! Be Happy! Spend time with your loved ones!

Regards

Principal
