Dear Parents

Greetings!!!!

"In light of the troubles that we have today, There's only one thing we have to say, Although these days seem too long, But together as a family, we stand tall!"

We hope that you and your family are safe and coping well during this period of lockdown. Holidays are a welcome break from the routine & we all look forward to them. The long awaited summer break has arrived though this year the scenario is different due to nationwide long lockdown due to deadly virus COVID-19 & virtual classroom study provided new experience to the students. Hope students must have enjoyed this teaching methodology. The classes will remain suspended from **25th May, 2020 i.e. Monday to 30th June, 2020 i.e. Tuesday**. The classes will resume from **1st July, 2020 i.e. Wednesday**. So students sit, relax and watch informative and entertaining movies. Be safe as well as healthy. Strike a balance between work & play and allow yourself to grow in the process.

Parents need to limit TV time and supervise the channel their ward watch, give their valuable guidance & spend quality time with their children. Let vacation time be a door way to creativity, learning, growth, joy, happiness and above all-bonding.

Joyous & meaningful Holiday Home work is being Given to students which is not much and is Activity Based. Ensure that a little Homework is done daily to avoid piling it up for the last moment. Holiday Homework must be submitted on or before 5th July, 2020.

Summer Vacation is the right time when students can improve upon their shortcomings. And weaknesses like handwriting, reading, spellings, vocabulary, basic grammar, maths etc. as they get plenty of free time.
