Dear Parents

GREETINGS OF THE DAY!!!

Safety, Health & well-being of our students & parents is our top priority and in the wake of novel Corona virus(COVID-19) ,we all are taking precautions and I hope you all must be following the guidelines being issued by Health Ministry. We cannot deny the education of your wards so we have tried to provide virtual classes and our teachers are regularly in touch with your wards to solve their problems. The entire team is putting lots & lots of efforts to plan and provide the best to your ward in this critical situation. We are sure that you would understand our liabilities towards staff (Teaching & Non-Teaching), Electricity Bill, telephone Bill, Computer maintenance and so on .The list is long. It is very clear that school is run with your support & cooperation. You can understand that all these expenses cannot be avoided so it's humble request to you all to come forward and pay monthly fee of your ward and oblige. As per the government directions & humanitarian ground the salary of the staff must be disbursed. School office is open. You can also pay online or through paytm.

Hoping for your support & cooperation,

Stay safe with your entire family!!!

Regards

Principal
