It's obvious that defensive coordinator Phillips is going to put more emphasis on causing turnovers this season. During one drill, he had the defensive ends reach up and try to bat down volleyballs while other defenders were trying to scoop up actual footballs. I was intrigued by this drill until a former colleague scolded me for recognizing it from the Parcels era. I apologized profusely and returned my focus to the offense. Tough first day for rookie free-agent cornerback Bryan McCann from SMU. The player obviously has some talent, but he was victimized by both Bryant and Ogletree. He appeared to be in decent position on both plays,nhl authentic jersey, but he didn't get a hand up in time. Second-year tight end John Phillips had an impressive first practice. He caught a couple of passes across the middle and he outperformed the other tight ends on a blocking sled. He's added some muscle and he looked dominant in blocking drills. Q: How are you feeling (after the hit on the sideline)? ,nhl wholesale jerseys,womens football jerseys Stop me if you've heard this one,all nhl jerseys,nike nfl jersey,vintage hockey jerseys,team usa hockey jersey, but Roy Williams insisted to me that he and Romo developed some excellent chemistry during organized team activities. I asked him what he thought about Phillips telling us that the coaching staff had watched all of his snaps with the Lions, and he didn't seem particularly excited. "We just have to get on the same page as the quarterback," said Williams. He said that he was "excited" when the Cowboys selected Bryant and that he would be available if the rookie had any questions. "If he needs me, I'm not going to turn my back on him," said Williams. The former Texas Longhorn said the Cowboys were "paper champions" heading into 2010, but he knows that won't get them to the Super Bowl. I don't want you to be too alarmed, but linebacker Curtis Johnson blew by left

tackle Doug Free on a speed rush during team drills. But on some inside running plays, Free did an excellent job of getting leverage and shielding his defender. This is not going to go smoothly at times, fighting sioux hockey jersey, future nike nfl jerseys, hockey jersey sizing, but Romo seems to have plenty of confidence in Free -- until Trent Cole takes his head off. I am not going to get into all of that. Q: What did you say that made the practices so good last week? Q: How hurt are you after getting hit on the sideline? Never better, never better and thank you very much for asking. I will end up on NFL Films forever. I told our defense that last week we practiced with more energy and more enthusiasm and greater speed than we had in a long time. It was shocking, I looked up and said, air force hockey jersey, football jersey size chart, Is that the same guys? I tell you they had great purpose and the way they practiced is the way they played. I don't think it was anything I said. I think they realized the circumstances that we were in and the fact that it is a wonderful time of the year. These are young men, purdue football jersey, nfl saints jersey, nfl pink jersey, they have the world by the tail and they work for a great team and a great franchise. It is a wonderful season and if you would have said at the beginning of the season, jersey shop, nike pro combat uniforms nfl, with two games to go, nhl all star jerseys, replica nfl jerseys, we determine our own fate, we would have signed up for it. Q: Does this victory make a statement? I'm sure you're not surprised to hear that the defense appeared to be ahead of the offense on Day 1. I was particularly impressed with the safeties. The forgotten Pat Watkins came racing across the field to break up a deep ball from Romo at the last second. It was a very nice play, and it prompted Jones to deliver an awkward fist pump. Later in practice, nhl hockey jersey, Romo attempted to dial up Williams on a fly pattern down the left sideline. Second-year safety Michael Hamlin arrived just in time to knock the pass away. Linebacker Keith Brooking told me recently that Hamlin will provide some stiff competition for Alan Ball. He's been very impressed with both players. Q: What was going through your mind when you walked across the field toward the other team's coach after the game? Q: Do you have anything to say about the talk about running the city and bragging rights? AP Photo/Tony Gutierrez Dez Bryant made a splash during the first day of training camp -- showing up 45 minutes early and making acrobatic catches. SAN ANTONIO -- The Dallas Cowboys' first training camp practice was scheduled to begin at 2:15 p.m. local time, football jerseys cheap, make your own college football jersey, but first-round pick Dez Bryant took the field 45 minutes early to the delight of fans and I'm sure his coaches. As he's done since his first rookie camp, Bryant stole the show with an array of acrobatic catches. He spiced up even the most routine warm-up drill by reaching up and snagging the corner of the football with his left hand as if it were a Nerf. At least one reporter (from the Dallas-Fort Worth CBS affiliate) was already asking folks to lay odds on when Bryant would replace Roy Williams in the starting lineup. Imagine what we'll be saying after Bryant's second practice, hockey jersey display case, which is scheduled for Sunday. You can imagine what the players said when they went by, cheap nfl authentic jerseys, "no toughness no championship." I said, You are exactly right. After a week of trash talk from

Jets Coach Rex Ryan, Tom Coughlin refused all opportunities to gloat following the Giants' victory on Saturday. He said of his sideline injury, "I will end up on NFL Films forever." Here are excerpts from his postgame news conference. The full transcript is at Giants.com. Q: How important was the Cruz touchdown? Q: What does this win mean? [+] EnlargeAP Photo/Tony GutierrezFans gave Tony Romo the loudest ovation of the day when the quarterback took the field. The loudest cheers of the day were reserved for quarterback Tony Romo, china nfl jersey, who ran a warm-up lap as he took the field at 2:29 p.m. local time. A few minutes earlier, football jersey font, cheap authentic nhl jerseys, Miles Austin walked onto the field to a large ovation and acknowledged the crowd with an exaggerated wave of his arm. I had a long visit with Austin after practice about how his life has changed over the past year. It appears that he and Bryant will have a spirited competition to see who can make the toughest catches in practice. Austin told me that he's looking forward to a preseason matchup with the Dolphins because he wants to catch up with the man who gave him a chance in the league, Bill Parcells. Linebacker Victor Butler raced to his right and snagged an interception across the middle. He and former Texas Tech star Brandon Williams will compete for playing time at outside linebacker. But on Day 1, Butler had the better day. He's quick off the ball and I think he could be an effective pass-rushing specialist. It didn't take long to realize that someone was missing from the tight ends group. Martellus Bennett, nfl eagles jersey, hockey jersey sizes, who has a lot to prove after a disappointing 2009 season, nhl jerseys cheap, is on the non-football injury list with an ankle sprain. Bennett suffered the injury while running some routes at Valley Ranch on his own last week, nfl throwback jersey, how to make a football jersey, best nhl jerseys, but the Cowboys don't seem overly concerned. It's odd that Phillips failed to mention Bennett's injury during Friday's opening news conference... I am not going anywhere or checking anything. We won the game and it keeps us in the playoffs. It keeps us in the hunt with destiny in our hands. That is the only way to look at it. It's only the first practice, nfl jersey cheap, but Patrick Crayton had a bad drop on an inside route during drills. It will be an interesting battle for the fourth receiver spot between Crayton and Kevin Ogletree. Another possible candidate, Sam Hurd, missed practice because his wife had a child Friday. And since Phillips became a grandfather six days ago, personalized hockey jerseys, I'm thinking he'll cut Hurd some slack. We won the game. I was very excited that we won, I was happy for our fans and our owners. He's obviously in much better condition than the last time we saw him in a regular-season game against the Vikings. Colombo told me that he'd lost 12 pounds. "I decided to get in shape and kick some [expletive]," said the right tackle/heavy metal guitarist. Q: What did you think about the Jets covering up your Super Bowl logos outside your locker room? We had some issues obviously with our receiving corps and I thought he was the one guy that could give us that kind of play and he certainly did give us that kind of play. He almost earlier did the same kind of thing, nike jerseys nfl, so we all got a tremendous lift when he went coast to coast. Q: No MRI?
